TRAVELING BY FLIGHT IS VERY HELPFUL, ESPECIALLY WHEN YOU TAKE INTO CONSIDERATION THE DISTANCE YOU HAVE TO COVER, THE TIME YOU WILL HAVE TO SAVE, AND THE COMFORT YOU WILL HAVE WHILE TRAVELING, NOT ONLY FOR YOU BUT WITH YOUR LOVED ONES. DON'T ALLOW YOURSELF TO BE LIMITED BY FEAR OF FLIGHTS. THAT'S WHY WE WILL BE TALKING ABOUT AND SHARING A SAMPLE PRAYER FOR A SAFE FLIGHT. THIS FLIGHT PRAYER CONSISTS OF PRAYER BEFORE FLYING, DURING THE FLIGHT, AND AFTER THE FLIGHT.

Important things to know when praying for a safe flight

Saying a prayer for safe flight should be our lifestyle whenever we have plans of traveling by air. A flight prayer should not only be made during the flight but before and after the flight. It is very important to be specific in your prayers and be direct to the point. Praying a general prayer when you are about to travel by air is not advisable. It is very important while praying for your journey to mention your destination, the flights or airlines you will be traveling with, and much more. General prayers will only make you miss the point of your prayers. It is all about hitting the hammer on the nail and using the right key to open the right door. When you are general in your prayers, you lose focus, and it brings doubts into your mind. We have to be specific in our prayers Just like Jesus and the disciples. For example, when it came to rebuking the storm, healing the blind, raising the dead, like the case of Lazarus, and the dead girl, Jesus Christ was again specific in His prayers. I am just trying to emphasize the point of being specific in your prayers to receive answers to your prayers. That is why I do emphasize that when it comes to traveling by air, which is specific, your prayer for a safe flight should be specific and consist of words related to your journey.
